PGT Trucking Inc. Receives Bechtel Supply Chain Recognition Award

Aliquippa, PA, March 2, 2021 – PGT Trucking, Inc., www.pgttrucking.com, a leader in the transportation industry, was recognized for its supply chain excellence when supporting Bechtel’s Oil Gas and Chemicals projects.

The Bechtel Supply Chain Recognition Award celebrates subcontractors and suppliers who supported Bechtel’s work on projects around the world during 2020.

“The performance of our supply chain partners is critical for us to deliver successful projects for our customers around the world,” said Gerry O’Connor, Bechtel’s OG&C Manager of Procurement and Contracts. “We depend on our suppliers and subcontractors to bring expert knowledge, innovation and integrity to our projects and customers. Those recognized today have shown commitment to safely and responsibly deliver quality goods and services on time and within budget.”

“Our involvement in Bechtel’s project at the Shell Ethylene Cracker Plant in Monaca, PA, has been an excellent test of PGT’s ability to respond to evolving customer needs by providing tremendous amounts of truck capacity and a laser focus on safety,” said Gregg Troian, President, PGT Trucking. “This recognition exemplifies PGT’s commitment to providing superior transportation solutions to our customers.”

Since September 2015, PGT Trucking and sister company Southern Pines Trucking have delivered more than 10,600 loads for this project without an injury or cargo claim. In addition to transportation services, PGT provides on-site operations management in Aliquippa, PA, to coordinate delivery priorities with Bechtel, as well as on-site safety management in Baltimore, MD, to ensure safe truck loading at the port.

Companies were evaluated on multiple factors. They include; overall performance; the ability to deliver quality services/goods on time; the ability to work collaboratively to meet milestones; and meeting or exceeding project expectations in aspects of safety, delivery, construction performance, technical expertise, and environmental compliance. Nominations were reviewed and approved by Bechtel Supply Chain and Project Managers and our senior leadership.
