Aliquippa, PA, October 21, 2021 – PGT Trucking, Inc., www.pgttrucking.com, a leader in the transportation industry, has been recognized for its supply chain excellence when supporting Bechtel’s project execution.

The Bechtel Supply Chain Awards recognize subcontractors and suppliers who supported Bechtel’s work on projects around the world during 2020/2021.

“The partnerships we have with our subcontractors and suppliers are fundamental in delivering projects to our customers,” said Tarek Amine, Bechtel’s Manager, Procurement & Contracts. “Collaboration with subcontractors and suppliers enhances our ability to align to our customers’ goals, achieve their objectives, and deliver a lasting positive impact in the communities where we live and work.”

“PGT’s Project Cargo Management Division, under the direction of Bill Hershey, has supported Bechtel’s project in Monaca, PA, since 2015,” said Gregg Troian, PGT Trucking President. “Project cargo requires a great deal of energy and attention to detail from the initial quoting phase through delivery and billing, and our work for Bechtel has set the standard for solutions and service at PGT.”
