PGT Trucking Continues Southeast Expansion with Purchase of Jackson Terminal

Aliquippa, PA, August 12, 2024 - PGT Trucking, Inc., a multi-service transportation firm offering flatbed, dedicated, international and specialized solutions, announces the purchase of the King Transportation Services terminal in Jackson, MS. King Transportation Services (KTS) is an Integrated Fleet with PGT Trucking and is owned and operated by Thomas and LaTresa Robb. With this purchase, PGT Trucking and KTS look to share continued growth opportunities in the Southeast.

PGT Jackson was built in 2022 by KTS, offering truck parking, a maintenance shop, office space and restroom/shower facilities. This facility joins three other locations that PGT Trucking has opened this year, including Ghent, KY; Spartanburg, SC; and Laredo, TX. PGT Trucking and KTS look to expand their flatbed trucking solutions, fully utilizing the pool of quality driver talent in the region.

“PGT Trucking has always found great flatbed truck drivers in the Southeast, and we look forward to growing our fleet of Proud Professionals through PGT Jackson,” stated Gregg Troian, PGT Trucking President. “In addition, we will be able to better service our valued customers by offering higher capacity, reliable delivery service and localized management through our partnership with KTS.”

KTS will continue to be owned and operated by Thomas and LaTresa Robb.

“PGT is a great partner for our business! Both of our companies are committed to our drivers and their success, and we share a positive culture that creates an ideal environment for every one of us to grow and prosper,” said Thomas Robb, KTS President. “The future looks bright!”
